WHAT'S COOKIN' WEDNESDAYS?

The first dinner of the month will be on Thursday April 5th preceding Maundy Thursday and will be prepared by our Kitchen Ministry Team. The other Wednesday nights please bring your meal from home, pick up something on your way to church, or pop into one of the many fine eateries on Franklin Street to get something to go, and join us in the Great Hall to eat together. Children and Adult programs begin as usual 6pm.

As a reminder, the following downtown merchants have enthusiastically agreed to offer UBC members a 20% discount on Wednesday night for all take-out orders:

Making Contributions
Electronically

The easiest way to make contributions electronically is to use your **online banking** account. This keeps you in control of starting, stopping, and changing your contributions.

In your online banking site, you need to set up University Baptist Church as a *Payee* (as if you are paying a bill to UBC). Simply use the church's name and address as the Payee:

University Baptist Church
100 S. Columbia Street
Chapel Hill, NC 27514

Your contributions will be received and recorded as if you had put checks in the collection plate.

Your online banking site will allow you to select the **frequency** of your contribution (weekly, semi-monthly, or monthly). Once you enter the **amount** you want to contribute and the frequency, you save the settings and you're done! Remember to make changes to your settings if you need to stop making contributions for any reason or to increase the amount.

From the Budget/Finance Ministry Team

Estimate of Giving: If you missed our New Consecration service, you can still participate in this important church-wide commitment of our financial resources by submitting an Estimate of Giving form located on the UBC web site (www.ubc-ch.org). Information obtained from this form is completely confidential and will be available only to the church bookkeeper. Your participation in this process not only helps provide a focus for your financial commitment to God's work through University Baptist Church, but it also enables the church to set better income benchmarks for 2012 and develop a reasonable budget plan. Of course, you can always obtain an Estimate of Giving card from the church office and leave your card for the bookkeeper. Either way, please complete your Estimate of Giving soon.

Retire the Mortgage: Are you striving to be debt free in your personal finances? Well, so is UBC! Join UBC's new initiative to retire the mortgage by 2015. Consider how you might contribute beyond your normal tithe to this "game changing" campaign. Retiring the mortgage will relieve UBC of its monthly mortgage payment of nearly \$9,000 and open doors to many new, exciting ministry opportunities. The Budget/Finance Ministry Team has already established a special account for the collection and disbursement of gifts designated for this very important purpose. Please designate cash payments to the "Retire the Mortgage" campaign (or just RTM). You may give regularly, or designate special offerings for RTM. Gifts of stock will also be accepted.

Book Club

Join the Book Club on Thursday, April 19th from 7-8pm, to discuss "Reading Lolita in Tehran" by Azar Nafisi.

This is a true story about how the author secretly gathered seven of her most committed female students to read forbidden Western classics. Soon they removed their veils and began to speak more freely—their stories intertwining with the novels they were reading by Jane Austen, F. Scott Fitzgerald, Henry James, and Vladimir Nabokov.
